Board of Education
Plainedge Union Free School District
241 Wyngate Drive
North Massapequa, New York 11758

We have been engaged by the Board of Education (the “Board”) of the Plainedge Union Free School District (the “District”) to provide internal audit services with respect to the District’s internal controls related to medical and dental benefits and retiree health insurance for the period July 1, 2019 through June 30, 2020.

The objectives of the engagement were to evaluate and report on the District’s internal controls pertaining to medical and dental benefits and retiree health insurance and to test for compliance with laws, regulations, and the District’s Board policies and procedures.

In connection with the following procedures, we have provided findings and recommendations for the internal controls related to medical benefits and retiree health insurance. Our procedures were as follows:

- Reviewed the District’s policies, procedures, and practices with regards to the internal controls related to medical and dental benefits and retiree health insurance;
- Interviewed key District employees involved in the medical and dental benefits and retiree health insurance processes;
- Tested a sample of employees who received health insurance declination payments to determine that proper supporting documentation existed, the payment was properly calculated, and the employee was paid in agreement with stipulations within their respective employment contract;
- Tested a sample of individuals receiving health benefits to determine that proper supporting documentation existed, coverage was in agreement with contract stipulations, and the employees’ payroll deductions were properly calculated;
- Tested a sample of retirees receiving Medicare Part B reimbursements to determine that proper supporting documentation existed and the reimbursement amount was accurate;
- Tested a sample of retirees and spouses receiving health insurance coverage to determine that the individual is not deceased and still receiving health benefits paid by the District;
- Tested a sample of individuals receiving dental benefits to determine that proper supporting documentation existed, coverage was in agreement with contract stipulations, and the employees’ payroll deductions were properly calculated;

ISLANDIA: 3033 EXPRESS DRIVE NORTH, SUITE 100 • ISLANDIA, NY 11749
WHITE PLAINS: 50 MAIN STREET, SUITE 1000 • WHITE PLAINS, NY 10606
PHONE: (631) 234-4444 • FAX: (631) 234-4234

- Tested a sample of Flexible Spending Account deductions to determine that proper supporting documentation existed, the employee's payroll deduction was properly calculated, and that the amounts withheld were properly remitted to the third-party administrator;

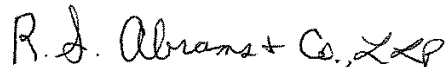

The results of our procedures are presented on the following pages.

Our procedures were not designed to express an opinion on the internal controls related to medical and dental benefits and retiree health insurance, and we do not express such an opinion. As you know, because of inherent limitations of any internal control, errors or fraud may occur and not be prevented or detected by internal controls. Also, projections of any evaluation of the accounting system and controls to future periods are subject to the risk that procedures may become inadequate because of changed conditions.

We would like to acknowledge the courtesy and assistance extended to us by personnel of the District. We are available to discuss this report with the Board or others within the District at your convenience.

This report is intended solely for the information and use of the Board, the Audit Committee and the management of the District and is not intended to be and should not be used by anyone other than those specified parties.

Very truly yours,

A handwritten signature in cursive script that reads "R.S. Abrams & Co., LLP".

Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

MEDICAL BENEFITS AND RETIREE HEALTH INSURANCE OVERVIEW

There are three options that school districts have when providing employees with health care benefits. The first option is to offer a “fully-insured health plan”, where the District pays a pre-determined premium to an insurance company for providing health care benefits to the District’s employees. With this type of arrangement, the insurance company administers the benefits for the District. In addition, the insurance company takes on full responsibility and assumes all financial risks of providing coverage; the District is only responsible for the premiums. The second option is to create a “self-funded health plan”. Under this type of plan, a school district pays for their employees’ health care benefits. The third option is for the District to join a health care consortium which is a group of school districts that join together to purchase group health insurance at lower premium rates. Additionally, consortiums have the ability to lower the costs incurred with health claims and they have the ability to spread risk among a large number of policy holders. The consortiums can be a “fully-insured consortium”, “self-funded consortium”, or “minimum premium consortium”.

Under the “self-funded health plan”, school districts engage a third-party administrator to process employee health claims, as well as to negotiate rates with health care providers. Additionally, the third-party administrator must estimate the amount of funding that is required to cover health care claims. Many school districts choose to purchase a “stop-loss” policy from a third-party insurance company, which is designed to protect the District from catastrophic health care costs, usually over a predefined threshold.

The District should maintain a proper system of controls to ensure that health care payments are accurate and properly supported, and that the District provides health insurance coverage only to employees and retirees as required by collective bargaining agreements or individual employment contracts. Additionally, the system of controls in place should also ensure that payments and documentation agree with various laws and regulations and stipulations outlined in the District’s collective bargaining units’ contracts.

The District has established a health insurance plan with *The New York State Health Insurance Program* (“NYSHIP”), the “Plan”. All employees, excluding substitute teachers, who work more than twenty hours per week are eligible to enroll in the Plan. The Plan offers both individual and family coverage for employees and retirees. The Plan has four main parts:

- Hospital Program
- Medical/Surgical Program
- Mental Health & Substance Abuse Program
- Prescription Drug Program

Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

COBRA

The Consolidated Omnibus Budget Reconciliation Act (Public Law 99-272, Title XXII), also known as COBRA, requires that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health and dental insurance at group rates in certain instances where coverage would otherwise end. The administering of COBRA is an employer responsibility and employers must not offer more than the minimum coverage mandated by COBRA law.

COBRA beneficiaries generally are eligible for group coverage during a maximum of 18 months for qualifying events including employment termination or reduction of hours of work. COBRA beneficiaries who become disabled within the first 60 days of COBRA continuation coverage may be eligible for a maximum of 29 months of coverage. An employee's spouse or dependent child is eligible for group coverage during a maximum of 36 months for qualifying events including employee enrollment in Medicare, divorce, legal separation, death of employee, or loss of dependent-child status. If a qualified beneficiary waives COBRA coverage during the election period, he or she may revoke the waiver of coverage before the end of the election period, which is 60 days from the receipt of notification to elect for COBRA benefits or the date health coverage ended, whichever is later.

There are three exceptions to the maximum adherence that are permitted:

- 1) COBRA allows employers to deny coverage when an individual is terminated for "gross misconduct", however, the participating agency may allow COBRA in cases because the individual is entitled to similar coverage under New York State Continuation of Coverage law, even if the participating agency denies COBRA.
- 2) COBRA allows a participating agency to deny COBRA coverage to individuals who acquire other coverage after electing COBRA. Due to the difficulty of determining whether the other coverage is equivalent to the NYSHIP coverage lost, the participating agency (school district) may continue COBRA when an individual acquires coverage other than Medicare after COBRA election. When an individual becomes entitled to Medicare benefits under COBRA election, COBRA must be cancelled.
- 3) COBRA must be offered to legally separated spouses who have been removed from NYSHIP coverage prior to a divorce since such coverage would still be available under the New York State Continuation Coverage Law.

A qualifying event must occur before COBRA coverage can be provided such as:

- The death of a covered employee.
- The termination (other than by reason of the employee's gross misconduct), or reduction of hours.
- Divorce or legal separation of the covered employee.
- The covered employee enrolls in Medicare.
- A dependent child ceases to be an eligible dependent.

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

Employees who have been excessed (involuntary laid off) or “dismissed” are entitled to COBRA, but terminations by reason of such employee’s “gross misconduct” are not eligible for COBRA payments.

RETIREE ELIGIBILITY

Retirement eligibility rules to continue on the District’s health insurance plan vary by bargaining unit. Each retiree is required to contribute a percentage of health insurance premiums. The percentage is determined by the applicable collective bargaining agreement or individual employment contract, and may vary based upon hire date.

Retirees will remit payment directly to the District for their monthly premium until the retiree’s pension deduction takes effect, which will take between 6 and 12 months. Retirees can also remit payment directly to the District if they do not have enough funds in their pension to be deducted. For retirees remitting payment directly to the District, the District is billed the full premium by the Plan. When a retiree’s pension deductions take effect, the District is billed only the District’s share of the premium by the Plan. The health benefits administrator is responsible for calculating the retiree share of monthly premiums, which varies by bargaining unit and retirement date. The calculation is reviewed and approved by the Assistant Superintendent for Business. The health benefits administrator sends an annual notice to each retiree with the updated monthly premiums for the year. Retirees are responsible for remitting payment on a monthly basis, although some elect to pay several months in advance. The health benefits administrator tracks the payments received, and is responsible for contacting retirees regarding any past due balances.

An enrolled employee who terminates employment before retirement age is eligible to continue coverage under NYSHIP. In order to be eligible to continue coverage as a vestee the employee must meet the employer’s minimum service requirements and be at least 55 years of age. To retain eligibility for coverage as a retiree, a vestee must continue coverage under NYSHIP as an enrollee or a dependent of an enrollee with no lapse in coverage. A vestee whose coverage lapses is not permitted to reinstate coverage, either during vested status or after retirement.

MEDICARE

Medicare is a federal health insurance program for people age 65 or older. Medicare has two parts, Part A and Part B. Individuals are automatically enrolled in Part A at age 65. Medicare Part A helps pay for in-patient hospital care, in-patient care in a skilled nursing facility, home health care, and hospice care. Individuals may enroll in Part B upon turning age 65. Medicare Part B helps pay for necessary medical doctors’ services, outpatient hospital services, home health services and a number of other medical services and supplies that are not covered by the hospital insurance part of Medicare (Medicare Part A). NYSHIP requires retirees, vestees, dependent survivors, and Preferred List enrollees to be enrolled in Medicare Parts A and B when first eligible for Medicare coverage. Additionally, dependents must enroll in Medicare Parts A and B when they are first eligible for primary Medicare coverage.

NYSHIP provides secondary coverage for Medicare eligible enrollees and dependents, whether or not that individual has enrolled in Medicare. It is very important that each individual (enrollee

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

and dependent) who becomes eligible for Medicare primary coverage to enroll in both Medicare Parts A and B. If an individual fails to enroll in Medicare Parts A and B, their health benefits will be drastically reduced.

MEDICARE PART B REIMBURSEMENTS

When NYSHIP benefits are secondary to Medicare (whether or not the individual is enrolled in Medicare), Section 167-A of the New York State Civil Service Law requires each school district to reimburse Medicare eligible enrollees and dependents in an amount equal to the current Medicare Part B premium charge, including any income related monthly adjustment amount (IRMAA).

The reimbursement is required for all individuals covered under NYSHIP who are eligible for Medicare that is primary to NYSHIP, including Dependent Survivors, with the following exceptions:

- 1) The individual or dependent who is eligible for Medicare coverage is receiving Medicare reimbursement from another source.
- 2) A retiree who returns to employment in a benefits eligible position from the same agency from which they retired is no longer eligible for Medicare reimbursement regardless of whether they continue their coverage as a retiree or active employee. NYSHIP is primary to Medicare while they are in a benefits eligible position.
- 3) An active employee or dependent of an active employee who enrolls in Medicare for secondary benefits.
- 4) An active employee or dependent of an active employee who elects Medicare as primary coverage. In this case, the individual's enrollment in NYSHIP must be terminated and the provisions of Section 167-A of the Civil Service Law would not be applicable.

The Medicare Part B reimbursement must be effective as of the date the employee or dependent first becomes eligible for primary Medicare coverage. Some acceptable reimbursement methods include issuing checks at periodic intervals or the required premium contribution may be reduced by the amount of the reimbursement. Monthly premium amounts are established by the Social Security Administration and NYSHIP and the District must reimburse the monthly premium regardless of whether the individual has accepted the Medicare Part B.

DEPENDENTS

Spouses

An employee's spouse, including a legally separated spouse, is eligible for health insurance coverage. However, if an employee is divorced or the marriage has been annulled, the former spouse will no longer be eligible for health insurance, which will end on the effective date the marriage ends. A spouse may be able to continue coverage under the New York State Continuation of Coverage Law (COBRA). Additionally, parties to a same-sex marriage under the jurisdiction where a same-sex marriage is permitted, including New York State, are eligible for spousal benefits for health insurance.

Dependents

As required by the Patient Protection and Affordable Care Act (PPACA), the eligibility rules for covering dependent children under NYSHIP are as follows:

- 1) Children under 26 years of age.
- 2) Disabled dependent children age 26 or over who are incapable of self-sustaining employment because of mental illness, development disability, mental retardation as defined in the Mental Hygiene Law or physical handicap who became incapacitated before the age at which dependent coverage would otherwise be terminated in accordance with the eligibility rules in effect at the time the disability commenced is eligible.

The term "children" includes natural children, stepchildren, children of domestic partners and legally adopted children, including children in a waiting period prior to finalization of adoption. Other children who are chiefly dependent on the employee and for whom the employee have assumed legal responsibility in place of the parent are also eligible. In such cases, eligibility and documentation must be verified upon enrollment and every two years thereafter.

Young Adult Option

The Young Adult Option allows a young adult child of an individual enrolled in NYSHIP to purchase individual health insurance coverage through NYSHIP when the young adult does not otherwise qualify as a dependent as specified above. The young adult or his/her parent must pay a separate premium for the Young Adult Option. The District does not contribute towards the cost of the Young Adult Option. The young adult or his/her parent is required to pay the full cost of the premium for individual coverage for the NYSHIP option selected for coverage.

In order for a young adult to be eligible to enroll in NYSHIP under the Young Adult Option, the following requirements must be met:

- Be a child, adopted child, or step-child of a NYSHIP enrollee (including those enrolled under COBRA);
- Be age 29 or younger;
- Be unmarried;

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

- Not be insured by or eligible for coverage through the young adult's own employer-sponsored health plan, whether insured or self-funded, provided that the health plan includes both hospital and medical benefits;
- Live, work or reside in New York State or the insurer's service area; and
- Not be covered under Medicare.

Eligibility for NYSHIP enrollment under the Young Adult Option ends when one of the following occurs:

- The young adult voluntarily terminates coverage;
- The young adult's parent is no longer enrolled in NYSHIP;
- The young adult no longer meets the eligibility requirements for the Young Adult Option; or
- The NYSHIP premium for the young adult is not paid in full within the 30-day grace period.

HEALTH INSURANCE DECLINATION PAYMENTS

The District offers employees in certain bargaining units who are eligible to participate in the Plan the option to decline coverage in exchange for a health insurance declination payment. In order to be eligible for the declination payment, the employee must obtain health insurance from another source. For certain bargaining units, the District requires that the employee be enrolled in the Plan for two years prior to becoming eligible for the declination payment. Health insurance declination payments provide a cost savings to the District, as the amount of the payment, which varies by bargaining unit, is less than the cost of providing coverage. To be eligible for the payment, the employee must complete a health insurance declination form indicating they have declined coverage through the Plan, and provide proof of health insurance coverage from another source. Health insurance declination payments are prepared by the health benefits administrator, and are reviewed and approved by the Assistant Superintendent for Business. The payments are issued in June.

DENTAL INSURANCE

The District has established a self-insured dental insurance plan for active employees in certain bargaining units administered by *Guardian Dental*. The majority of full-time District employees, enroll in this dental insurance plan. The custodial until has dental insurance under the *CSEA Employee Benefit Fund*. Active District employees contribute towards their monthly premium as outlined in their respective collective bargaining agreement. The employee's contribution, which is required for certain bargaining units and plans, is withheld as a payroll deduction. The District's dental insurance plan is not offered to retirees. For retirees, the District offers COBRA dental insurance for up to 18 months following retirement.

Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

FINDINGS AND RECOMMENDATIONS

Based on our interviews, observations and detailed testing, we provide our findings and recommendations below to further strengthen the District's internal controls as they pertain to the medical and dental benefits and retiree health insurance outlined above.

It should be noted that these recommendations are provided to assist management in improving the accounting and internal controls and procedures as they relate to the District's medical benefits and retiree health insurance. It is important to note that our findings and recommendations are directed toward improvement of the system of internal controls and should not be considered a criticism of, or reflection on, any employee of the District.

Based on our interviews, observations, and detailed testing, our findings and recommendations are as follows:

Policies and Procedures

Procedure Performed: We reviewed the District's policies, procedures, and practices with regards to the internal controls related to medical benefits, dental benefits, and retiree health insurance.

Finding: The District's collective bargaining agreements with several bargaining units, do not indicate whether these employees will be eligible for health benefits in retirement, or specify the terms. The District defaults to terms of coverage for retirees per NYSHIP's *General Information Book* for these employees.

Recommendation: While not required, we recommend the District clarify the employee share of retirement health premiums in each collective bargaining agreements.

Finding: We noted that the approved New York State Teachers' Retirement System certifying official per form QTR-81 is the Assistant Superintendent for Business. However, the Payroll Supervisor certified the 2018-2019 *New York State Teachers' Retirement System Year End Certification* report.

Recommendation: We recommend that the approved certifying official per form QTR-81 certify the *New York State Teachers' Retirement System Year End Certification* report.

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

Health Declinations

Procedures Performed: We selected a sample of twenty employees that received health insurance declination payments to verify the following:

- A completed, declination of health insurance form exists.
- The employee was not receiving health care coverage through a District sponsored health plan.
- The payment was properly calculated and approved.
- The employee's payroll check history indicates proper amounts were paid.

Finding: No exceptions were noted as a result of applying these procedures.

Health Insurance Coverage

Procedures Performed: We selected a sample of twenty-five individuals receiving health benefits to verify the following:

- Eligibility criteria were met based on employment contracts and plan guidelines.
- A completed enrollment form is on file and contains appropriate signatures and type of coverage.
- Applicable supporting documentation is on file for coverage selected.
- Deducted amount per payroll journal agrees with employment contract.

Finding: No exceptions were noted as a result of applying these procedures.

Medicare Part B Reimbursements

Procedure Performed: We selected a sample of fifteen retirees receiving Medicare Part B reimbursements to verify the following:

- A *Medicare Part B Reimbursement Form* signed by both the retiree, and spouse if applicable, was maintained on file.
- The amount reimbursed per the Medicare check warrant issued in June 2020 was properly calculated based on the number of claimants, and the number of months being reimbursed.
- Amounts per the Social Security Administration letter or Social Security 1099 for both the retiree and spouse, where applicable, agreed to the amount reimbursed per the Medicare check warrant issued in June 2020.

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

Finding: We noted the District was unable to locate a Medicare card for one out of fifteen reimbursements selected.

Recommendation: We recommend the District maintain Medicare cards on file for all Medicare Part B reimbursements.

Retirees

Procedure Performed: We selected a sample of ten retired employees and spouses receiving health insurance coverage to verify the retiree or spouse is not deceased and still receiving health benefits.

Finding: No exceptions were noted as a result of applying these procedures.

Dental Claims Testing

Procedure Performed: We selected a sample of fifteen dental claims paid by the District's third-party administrator to verify the following:

- The covered member was eligible for dental insurance coverage based on employment contracts and plan guidelines; and
- A completed enrollment form was on file, contained appropriate signatures, and if the claim was paid on behalf of a dependent, family or employee and spouse coverage was elected.

Finding: No exceptions were noted as a result of applying these procedures.

Flexible Spending Accounts

Procedure Performed: We selected a sample of ten employees making contributions to a District sponsored Flexible Spending Account to verify the following:

- The employee completed an enrollment form (new enrollees only) or appears on the enrollment file provided by the flex plan administrator; and
- The employee's payroll deduction is properly calculated.

Findings: No exceptions were noted as a result of applying these procedures.

Plainedge Union Free School District
Internal Audit Report on Medical and Dental Benefits and Retiree Health Insurance

CORRECTIVE ACTION PLAN

The District is required to prepare a corrective action plan in response to any findings contained in the internal audit reports. As per Commissioner's Regulations §170.12, a corrective action plan, which has been approved by the Board, should be submitted to the State Education Department within 90 days of the receipt of a final internal audit report.

The approved corrective action plan and a copy of the respective internal audit report should be submitted using the NYSED Business Portal.
